Petitioner is also the owner of the entire right, title and interest in U.S. Patent No. 5,997,759 by virtue of the assignment recorded on June 4, 1998, at Reel: 009251, Frame: 0217.

Petitioner hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the above-identified application Serial No. 09/855,329 which would extend beyond the earliest of the expiration dates of the full statutory terms defined in 35 U.S.C. §154 to §156 and §173, as shortened by any terminal disclaimer(s) filed prior to the grants of U.S. Patent Nos. 6,436,442; 5,942,217; or 5,997,759.

Petitioner hereby agrees that any patent so granted on the above-identified application Serial No. 09/855,329 shall be enforceable only for and during such period that it and the patents are commonly owned. This agreement runs with any patent granted on the above-identified application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, petitioner does not disclaim the terminal part of any patent granted on the above-identified application Serial No. 09/855,329 that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. §154 to §156 and §173 of the earliest to expire patent, as shortened by any terminal disclaimer filed prior to the patent grant, in the event that the patent: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR §1.321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer filed prior to its grant.

The evidentiary documents for the assignments have been reviewed by the undersigned, and the undersigned certifies that to the best of his/her knowledge and belief, title is in the assignee to take this action. The undersigned is an attorney or agent of record and is empowered to act on behalf of the assignee.

The undersigned hereby declares that all statements made herein of his/her own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Respectfully submitted,

By:
